

Our Savior's will be using the text messaging program Remind again this year.

With this program:

- * teachers can send simple reminders for their classes

First & Second Grade: Library day tomorrow—remember to bring your library book to school!

- * Mary can send school-wide notices

OSLS K-6: We will have a 2-hour delay start tomorrow due to the weather.

If you'd like to be added to your child's classroom Remind list and the school-wide Remind list, please list your name and cell phone number below. If you'd like both parents to get notifications, please make sure both names/numbers are listed.

Even if you signed up last year, please fill out and return this permission form to make sure you receive this year's messages

Parent/Guardian Name: _____ Cell Phone: _____

Parent/Guardian Name: _____ Cell Phone: _____

Please note—if you have a cell phone plan that charges for individual text messages, you may get charged by your cell phone company for each of the messages that are sent through Remind
